

## Soviet Union - Processes about the Intellectual

By Shomit Sirohi

Avant-Garde - Images which Speak and Articulate the Crisis of Intellectual Lives through Humour and American slang, it is just this slang style called by Sirohi Dialectical thesis and anti-thesis - with a hopeful Synthesis.

### I. Intellectual at Work

In fact a meticulous love for work, in the Paulinian sense then, with colleagues and help all around, co-operation and solidarity which then is also Paul in fact at work, just the love for co-operation, and friendship. We call this co-operative.

### II. More Such Processes - We can call themes and many themes and many variations of the Intellectual - imagine a man and woman intellectually talking in a café they choose.
